

ICT Infrastructure at Kamarbandha College

The college has established mechanism for upgrading and deploying information technology (IT) infrastructure. The college allocates budget for annual maintenance on the basis of the need and number of the students as well as teachers. For maintaining the hardware and the IT infrastructure of the campus, technical staff is outsourced. The institution updates the IT facilities frequently through various systems. One seminar hall is equipped with ICT facilities whereas whole campus has Wi-Fi internet coverage. Notably, one smart interactive board is regularly used by the faculty members as teaching aid. To promote minimal use of papers, electronic communication in terms of email and WhatsApp has been given priority. The institute has access to subscribed Google Workspace for institutional email (suffixed as www.kamarbandhacollege.com) & cloud storage services. The Departments also make use of Google Classrooms, Youtube, Zoom, GMeet, Class plus, etc. for lecture notes sharing and online classes. Financial activities are transformed to digital forms following Digital India initiative. All the housekeeping activities in the library including cataloguing, accessioning and circulation have been computerized.

In the library, updated versions of windows, library management software-KOHA(Version:20.05) and bar code scanner facility are used. The network connected computers are protected by antivirus. Moreover, the college hires computer technician and service providers for any disorder or damage on basis of the need. The institution takes utmost care for up keeping and replacement of the IT tools whenever necessary. In addition to it, the activities such as installation of anti-virus periodically, formatting of computers in case of corrupt operating systems, replacing hardware of old computers as well as new computers are undertaken yearly and come under Annual Maintenance Cost (AMC).The Wi-Fi facility is free of cost for all teachers, students and stakeholders of the College. Every faculty, department and cells have been assigned Google accounts for smooth information sharing. The college also has an up to date user-friendly online admission portal embedded in the website. All relevant data of the bona-fide students are electronically stored. Besides, the college has an outsourced user-friendly online feedback mechanism for the students, teachers, alumni etc. to evaluate programme & course outcomes.

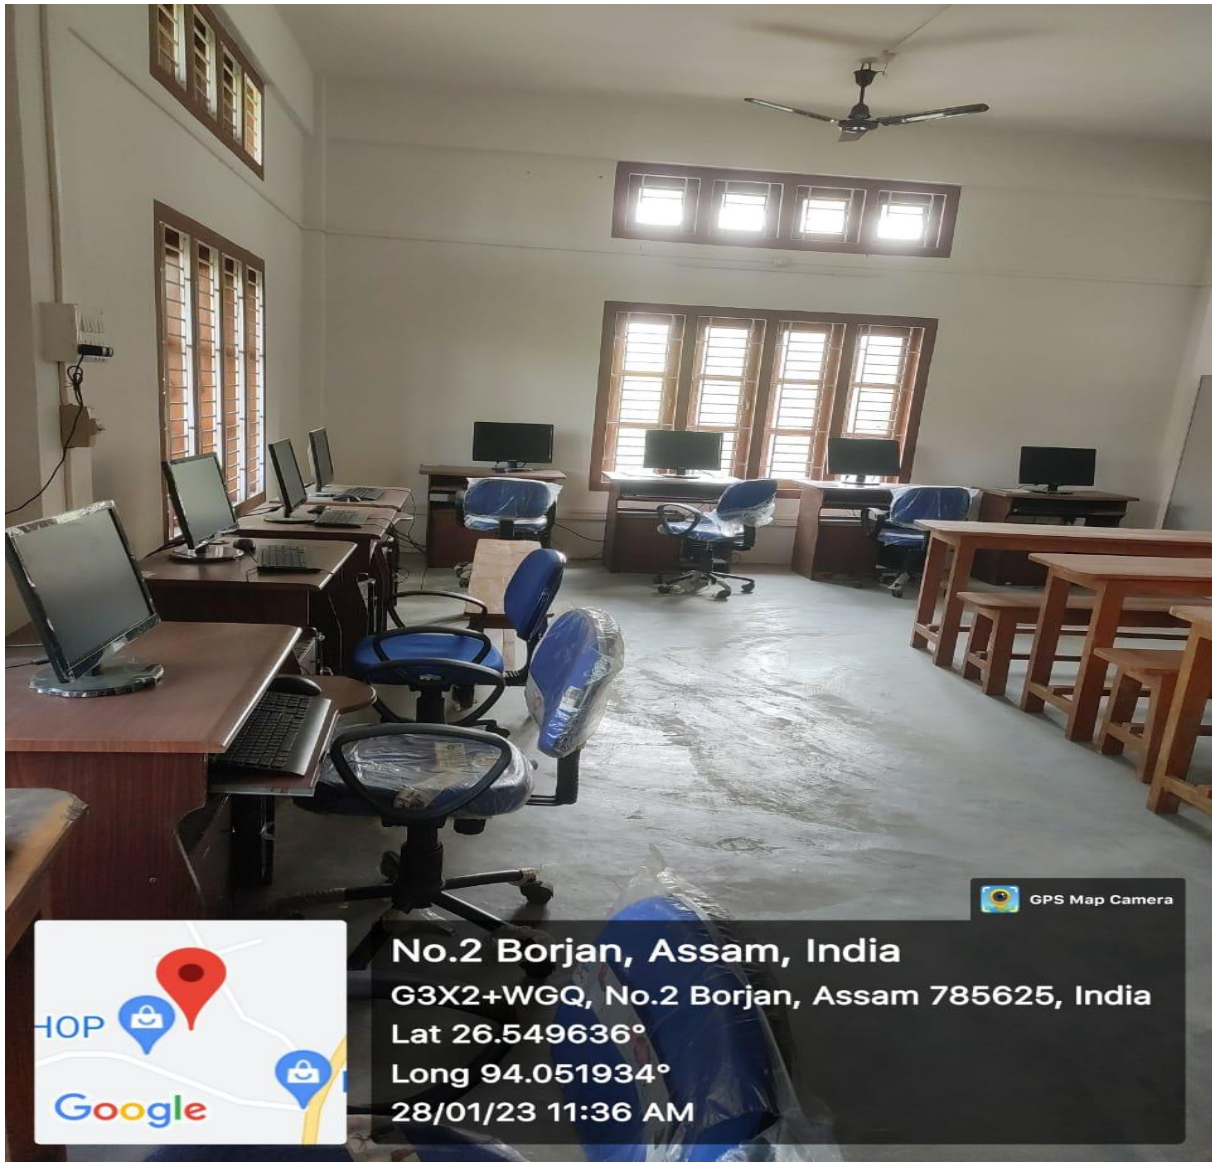

Moreover the college has the following:

- i) College campus is CCTV Surveillance
- ii) One Digital Class Room
- iii) Computer Lab.
- iv) N-LIST (e-resources, e-books, e-journals)
