- iii) The time given for End-semester examination for each Course shall be based on the credits/marks of the course.
- (iii) Emphasis needs to be given on problem solving, application level questions as prescribed by National Education Policy, 2020. The question paper should include different forms of question.

Betterment Examination:

- i) A student shall be entitled to take the 'Betterment Examinations' in any two theory courses after successful completion of 3 year/4year programme only once. In this case, the higher marks secured by the student shall be retained. The candidates shall have to apply for betterment examination within one year of passing the Sixth / Eight Semester examination. Students shall have to appear in the betterment examination with the regular batch.
- ii) No betterments shall be allowed in the practical /project /dissertation/ internship examinations.

Results and Progression:

1. A candidate shall be declared as passed a Programme, provided he/she secures-
 - At least 30% of marks in each Course in the End Semester Examinations combining both theory and practical examinations .
 - At least 'P' grade in the 10 point scale combining both the in-semester and End Semester Examination performance.

- There shall be no separate pass mark for In-semester Assessment .
- 2. A candidate shall be declared as passed a semester/ programme, provided he/she secures at least "P" grade in the 10 point scale (given in clause) in all the Courses separately.
- 3. There may be moderation of In-semester Assessment marks/ End Semester marks as and when necessary.
- 4. The marks of In-semester examinations obtained by the candidate shall be carried over for declaring any result.
- 5. A candidate who fails or does not appear in one or more Courses of any End semester examinations up to fifth Semester shall be provisionally promoted to the next higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carry over course in the next regular examinations of those courses. If a candidate fails in any of the components (either theory or practical) of a course the candidate shall have to reappear in the examination for both the components.
- 6. If a candidate clears the sixth semester examination before clearing all the courses of the previous semesters, the result of the sixth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of previous semesters.
- 7. A candidate who fails or does not appear in one or more courses of seventh semester examinations shall be provisionally promoted to the eighth semester with the failed course as carry over course(s). If a candidate clears the eighth semester examination before clearing all the courses of the seventh semesters, the result of the eighth semester examination of that candidate shall be withheld and his/her results shall be announced only after he she clears the courses of the previous semester.
- 8. A student must clear all his/her Semester Examinations within six (6) years for three year undergraduate programme and seven years for four year undergraduate programme (with honours / research) from the dates of

admission to the First Semester of any Programme irrespective of the number of examinations appeared by the student.

9. Since the Semester system involves continuous assessment, there shall be no scope for a student to appear as a private candidate in any programme in this system.
10. A candidate shall be declared to have passed provided he/she has passed all the Semesters and in all the Courses separately for the concerned programme .
11. The Controller of Examinations shall declare the results of different programmes and issue Grade-sheets. *The merit list shall be prepared only for the regular candidates and it does not include the backlog candidates.*
12. The first rank holder of a programme shall be decided on the basis of the CGPA . However, the overall Weighted Percentage of Marks (OWPM) of a candidate shall be considered in case of tie in CGPA.
13. Results of the candidates appeared in the Betterment or Backlog Examinations shall not be counted for the award of Prizes/Medals, Rank or Distinction.

Generic learning Outcomes: Graduates should be able to demonstrate the capabilities of Complex problem solving, Critical thinking, creativity, communication skills, analytical reasoning, research related skills, coordinating/collaborating with others, leadership readiness/qualities, learning how to learn skills, digital and technological skills, multicultural competence and inclusive spirit, value inculcation, autonomy, responsibility and accountability, environmental awareness and action, community engagement and service and empathy.

4. Definitions:

Undergraduate Programmes: Undergraduate programmes will include the following

- (i) **UG Certificate programme:** UG Certificate Programme leads to a UG certificate after completing 1 year (2 semesters) of study in the chosen fields of study. Students on exit shall be awarded UG certificate (in the Field of Study/Discipline) after securing the requisite 44 Credits on completion of Semester II if, in addition, they complete one work based/skill based vocational course/internship of 4 credits within one year from the completion of 2nd semester examination. These students are allowed to re-enter the degree programme within a period of three years and complete the degree within the stipulated maximum period of seven years.
- (ii) **UG Diploma Programme:** UG Diploma Programme leads to a UG diploma after 2 years (4 semesters) of study in the chosen fields of study. Students on exit shall be awarded UG Diploma (in the Field of Study/Discipline) after securing the requisite 88 Credits on completion of Semester IV if, in addition, they complete one work based/skill based

vocational course/internship of 4 credits within one year from the completion of 4th semester examination. These students are allowed to re-enter the degree programme within a period of three years and complete the degree within the maximum period of seven years.

(iii) **Three Year UG Degree Programme (BA, B. Sc, B. Com and Bachelors in other disciplines) with single/double major:** Students who wish to undergo a 3-year (6 semester) UG programme shall be awarded UG degree in the Major discipline after successful completion of three years, securing a minimum of 132 credits. Provision of double Major shall be implemented in due course of time.

(iv) **Four Year UG Programme with honours (BA, B. Sc, B. Com and Bachelors in other disciplines) with single/double major:** Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours degree in the Major discipline after successful completion of four years, securing a minimum of 176 credits. Provision of double Major shall be implemented in due course of time.

(v) **Four Year UG Programme with honours with Research (BA, B. Sc, B. Com and Bachelors in other disciplines) with single/double major:** Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours and research degree in the Major discipline after successful completion of four years with a rigorous research project, securing a minimum of 176 credits. Provision of double Major shall be implemented in due course of time.

College: The term ‘College’ means the Colleges and Institutes affiliated to or permitted by Dibrugarh University for conducting different academic programmes.

Department: The term ‘Department’ is used to mean a Department of Dibrugarh University/a College/Institute affiliated to/ permitted by Dibrugarh University.

Centre for Studies: The term ‘Centre for Studies’ is used to mean a Centre for Studies of Dibrugarh University/a College/Institute affiliated to/ permitted by Dibrugarh University

Programme: The term ‘programme’ is used to mean the whole learning experience or combination of courses pursued for a Certificate, Diploma or a Degree.

Course: A “Course” means one of the specified units which goes to comprise a programme of study.

Academic Year: An ‘Academic Year’ means a period of twelve months consisting of two semesters.

Semester: The word “semester” is used to mean a half-yearly term or term of studies including examinations, vacations and semester breaks.

Semester Duration: A semester normally extends over a period of 15 class weeks. Each week has 30 hours of instruction spread over the week.

In-semester: The word “in-semester” is used to refer to the continuous evaluation within the half-yearly term.

End-semester: The word “end-semester” is used to refer to the terminal processes of examinations and evaluations at the end but within the half-yearly term.

Credit: A ‘credit’ is a unit by which the coursework is measured. It determines the number of hours of instruction required per week over the duration of a semester (minimum 15 weeks). A course may have only a lecture component or a lecture and tutorial component or a lecture and practicum component or a lecture, tutorial and practicum component, or only practicum component. Credit shall be defined as

Sl. No	Components	Number of Hours per week	Number of hours per Semester	Credit
1	Lecture	1 Hour	15 Hours	1
2	Tutorial	1 Hour	15 Hours	1
3	Practicum, Laboratory Work, Seminar/Group Discussion	2 Hours	30 Hours	1
4	Experiential Learning, Internship, Community Engagement and services, Field visit/Industrial visit, Studio Activities, Field practices/projects etc.	3 Hours	45 Hours	1

Academic Bank of Credits (ABC): ‘Academic Bank of Credits (ABC)’ is an academic service mechanism as a digital/virtual/online entity established and managed by MOE/UGC to facilitate students to become its academic account holders and paving the way of seamless student mobility, between or within degree-granting Higher Education Institutions (HEIs) through a formal system of credit recognition, credit accumulation, credit transfers and credit redemption to promote distributed and flexible teaching learning.

Academic Flexibility: ‘Academic Flexibility’ is the provision for innovative and interchangeable curricular structures to enable creative combinations of Courses/Programmes in disciplines of study leading to Certificate/Diploma/Degree of study offering multiple entry and multiple exit facilities removing the rigid curricular boundaries and creating new possibilities of life-long learning.

Credit accumulation: ‘Credit Accumulation’ means the facility created by ABC in the Academic Bank Account opened by the students across the country in order to transfer and consolidate the ‘credits’ earned by them by undergoing ‘courses’ in any of the eligible HEIs.

Credit recognition: ‘Credit Recognition’ means the credits earned through eligible/partnering HEIs and transferred directly to the ABC by the concerned HEIs.

Credit redemption: ‘Credit redemption’ means the process of commuting the accrued ‘credits’ in the Academic Bank Account of the students maintained in ABC for the purpose of fulfilling the ‘credits requirements’ for the award of Certificates/Diplomas/Degrees etc. by the degree awarding HEIs.

Credit transfer: ‘Credit transfer’ means the mechanism by which the eligible HEIs registered with ABC are able to receive or provide prescribed ‘credits’ to individual registered ABC account in adherence to the UGC credit norms for the ‘course/s’ registered by the desirous students in any HEIs within India.

Course teacher: A ‘Course teacher’ is a teacher or any person who is engaged by the University/ College/Institute for teaching a Course. He/ she shall perform the following functions:

- (i) Teaching the Course approved by the statutory authorities.
- (ii) Maintaining attendance and performance records of all the students registered for the Course(s) he/she teaches.
- (iii) Conducting In-semester Assessment (Internal Assessment)
- (iv) Involving himself/herself in preparation and moderation of question papers, evaluation, scrutiny and finalization of results of the course(s) etc. whenever needed.
- (v) Participating in various curricular and co-curricular activities as and when necessary.
- (vi) Preparing syllabus of different Courses whenever necessary.

College/Departmental/Centre for Studies Four Year Undergraduate Programme (FYUGP) Board: There shall be a College/Departmental/Centre for Studies Four Year Undergraduate Programme (FYUGP) Board to monitor and supervise the

implementation of the Undergraduate academic programmes, which shall be constituted as below:

(i) For Colleges/Institutes:

Chairperson : The Principal of the College

Vice - Chairperson: The Vice-Principal of the College

Members : Heads of the Departments and the Coordinator, IQAC

Member Secretary: A Senior Teacher of the College nominated by the Principal of the college

(ii) For University Departments/Centre for Studies

Chairperson: Head of the Department/Chairperson of the Centre for Studies

Member : All the Course Teachers and the coordinator, DQAC

Dibrugarh University Four Year Undergraduate Programme (FYUGP) Board:

There shall be a Dibrugarh University Four Year Undergraduate Programme (FYUGP) Board to be constituted as below:

(i) Chairperson : Vice Chancellor

(ii) Members : The Registrar, Deans of the Faculties of Studies, Controller of Examinations, the Director, IQAC, D.U, five Principals of the colleges to be nominated by the Vice-Chancellor, One Joint/ Deputy Controller of Examinations to be nominated by the Vice-Chancellor and the Inspector of Colleges.

(iii) Member Secretary : The Deputy Registrar (Academic)

Semester Duration:

i) Odd Semesters: July–December (including end-semester examinations and semester breaks)

ii) Even Semester: January-June (including end-semester examinations and semester breaks)

Any change in the Academic Calendar/Schedule may be made by the University whenever necessary.

5 Extent of Application:

The Regulations shall be applicable to the students enrolled for the Courses of Study leading to the UG Certificate, UG Diploma, Three Year UG Degree, Four Year UG Degree

(Honours) and Four Year UG Degree (Honours with Research)

6 Academic Schedule: The Academic Schedule of the UG Certificate, UG Diploma, Three Year UG Degree, Four Year UG Degree (Honours) and Four Year UG Degree (Honours with Research) Programmes shall be administered as per the Academic Calendar of the University published for every academic session.

7 Admission Notice and Criteria:

Newspaper Notice/Notification through University/College/Institutes websites inviting applications for admission into the different programmes shall be issued by the Registrar of the University/Principals of the colleges/institutes as per the Academic Calendar of the University. The minimum eligibility for admission into the UG programmes shall be as below:

Minimum eligibility criteria for admission in Four Year Undergraduate programmes:

Senior Secondary School Leaving Certificate or Higher Secondary (Class 12) Certificate obtained after successful completion of Grade 12 or equivalent stage of education and/or Admission test conducted by College/University/National Level Testing Agency/State Level Testing Agency.

Minimum eligibility criteria for multiple entry points of the UG programmes

- a. **1st year:** Senior Secondary School Leaving Certificate or Higher Secondary (Class 12) Certificate obtained after successful completion of Grade 12 or equivalent stage of education and/or Admission test conducted by College/University/National Level Testing Agency/State Level Testing Agency.
- b. **2nd year:** A certificate obtained after successful completion of 1 year (2 semesters) of the undergraduate programme. These students are to take admission in the 2nd year within a period of three years from obtaining the UG certificate from Dibrugarh University or any other University/institution recognized by Dibrugarh University.
- c. **3rd year:** A diploma obtained after successful completion of 2 years (4 semesters) of the undergraduate programme. These students are to take admission in the 3rd year UG programme within a period of three years from obtaining the UG diploma from Dibrugarh University or any other University/institution recognized by Dibrugarh University.
- d. **4th Year (Honours):** A Bachelor's degree after successful completion of three years (6 semesters) of the Undergraduate programme obtained from Dibrugarh University or any other University/institution recognized by Dibrugarh University. These students

are to complete the degree within the stipulated maximum period of seven years.

- e. **4th Year (Honours with Research):** A three year Bachelor Degree with a minimum of 7.5 CGPA. The minimum entry requirement for 4th year (Honours/Research) UG programme within a period of three years from obtaining 3 year Bachelor Degree from Dibrugarh University or any other University/institution recognized by Dibrugarh University. These students are to complete the degree within the stipulated maximum period of seven years.

The admission or eligibility criteria shall be fixed by the Academic Council from time to time whenever necessary. The University/ colleges/ institutes may also adopt own policy for admission or selection of eligible candidates for admission complying with the eligibility criteria as prescribed.

Statutory reservation policy of the government shall be followed in case of selection of eligible candidates for admission.

8 Course Structure:

The Course Structure of the Undergraduate Academic Programmes shall be as per the Course Structure given in *Annexure I*. The nature of the Courses for all Under Graduate Academic programmes shall be as below:

Sl. No	Category of the course	Course	Description
1	Major Discipline: Major discipline provides the opportunity for a student to pursue in-depth study of a particular subject or discipline	Major discipline (Core)	Major discipline is the discipline or subject of Main Focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses of the major discipline.
2	Minor discipline: Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline	Minor discipline	Minor discipline helps a student to gain a broader understanding beyond the major discipline.

3	<p>Multi- Disciplinary Generic Elective: All UG students are required to undergo 3 introductory level courses relating to any of the broad disciplines. These courses are intended to broaden the intellectual experiences and form part of liberal arts and science education.</p> <p><i>However, students shall not be allowed to choose or repeat any of these courses already undergone at the Higher Secondary level (12th class) and the discipline which he/she has chosen as Major.</i></p>	Multi-Disciplinary Generic Elective-Natural Sciences	Introductory courses on Natural Sciences to be chosen from a basket of courses that would include for example, Astronomy and Astrophysics, Biology, Biochemistry, Chemistry, Computer Science, Data Science, Earth and Atmospheric Sciences, Physics, Statistics, etc. Each Department/Centre of Studies shall offer GEC
		Multi-Disciplinary Generic Elective-Social Sciences	Introductory Courses on Social Sciences to be chosen from a basket of courses that would include for example, Economics, Education, History, Linguistics, Political Science, Psychology, Sociology, Social Work, Communication and Media, etc. Each Department/Centre of Studies shall offer GEC
		Multi-Disciplinary Generic Elective-Humanities	Introductory Courses on Humanities to be chosen from a basket of courses that would include for example, Archaeology, Arts and Creative expressions, Comparative Literature, Creative writing and Literature, Philosophy, etc. Each Department/Centre of Studies shall offer GEC
4	<p>Ability Enhancement Courses: These courses aim to enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills.</p>	Language (MIL/Regional Language)	Students are required to achieve competency in the use of a MIL or Regional Language. All language disciplines except English shall offer Language Courses
		Language and Communication Skills (English)	Students are required to achieve competency in the use of English language with special emphasis on language and Communication Skills. Department of English shall offer this course

		Mathematical and Computational Thinking and Analysis	Courses relating to Mathematical and Computational Thinking and Analysis would focus primarily on the mathematical and statistical tools used to support the study of natural and social sciences, including subject areas such as astronomy, biology, chemistry, economics, the environment, geological sciences, physics, and sociology etc. These courses would focus on the methodology used to analyze quantitative information to make decisions, judgments, and predictions, including defining a problem by means of numerical or geometrical representations of real-world phenomena, determining how to solve it, deducing inferences, formulating alternatives, and predicting cause and effect relationships. The goal is to ensure that students achieve a level of proficiency in using and analyzing quantitative information.
5	Value Added Course 2: The courses aim to enable the students to acquire and demonstrate certain values	Health and Wellness	The Course components relating to Health and Wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual and environmental wellbeing of a person.
		Yoga	Yoga, Sports and Fitness activities will be organized outside the regular institutional working hours.
		Environmental Education/Science	The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change and

			<p>pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. There shall be more emphasis on community-based activities.</p>
		Digital and Technological Solutions/Digital Fluency	<p>Courses in cutting-edge areas that are fast gaining prominence such as Artificial Intelligence (AI), 3-D machining, big data analysis, and machine learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.</p>
		Understanding India	<p>The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, Indian education system and the roles and obligations of teachers to the nation in general and to the school/community/society, specifically.</p>
6	<p>Skill Enhancement courses: These courses are aimed at imparting practical skills, hands on training, soft skills etc. to enhance the employability of the students.</p>		<p>The institution may design courses as per the students' needs and available institutional resources subject to approval of the Dibrugarh University.</p>

7	Community engagement (NSS/Adult Education/Student mentoring/NGO/Govt. institutions, etc.):	The curricular component of ‘community engagement and service’ seeks to expose students to the socio-economic issues in society so that the theoretical learning can be supplemented by actual life experiences to generate solutions to real-life problems. This component will include participation in activities related to National Service Scheme (NSS), National Cadet Corps (NCC), adult education/literacy initiatives and mentoring school students and other community works
8	Field based learning/project	The field-based learning/project will attempt to provide opportunities for students to understand the different socio-economic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situation in rural and urban contexts, and to observe and study actual field situations regarding issues related to socio-economic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process.
9	Internship	: Students will be provided with opportunities for internships with local industry, businesses, artists, crafts persons, etc. so that they may actively engage with the practical side of their learning and, as a by-product, further improve their employability.

10	Research Project	All students pursuing a Four-Year Bachelor's Degree with Honours with Research will be required to take up research oriented advanced courses, research methodology courses and a research project.
----	------------------	---

A Course may also take the form of a Dissertation/ Project work/ Practical training/ Fieldwork/Internship, etc.

A student shall have to study the academic programme as per the scheme of the Programme. Even if a candidate earns the required number of credits before completion of the full duration of the programme, he/she shall not be entitled for the degree.

9 Course Enrolment

The minimum and maximum credits to be opted by a student for qualifying of a Undergraduate programme shall be as per the Course Structure given as **Annexure I**.

Change in Major: Students shall be allowed to change major within the broad discipline at the end of the second semester by giving him/her sufficient time to explore interdisciplinary courses during the first year. *The HEIs may create 10% additional seats over and above the sanctioned strength to accommodate the request for a change of major.*

Change in Minor: Students shall be allowed to change Minor courses of his/her areas of interest within the broad discipline at the end of the third semester. If a student pursuing a major obtains a minimum of 12 credits from another branch then the student will be awarded Bachelor degree in previous with a minor in later.

10 Attendance

The Course Teacher shall be responsible for maintaining a record of attendance of students who have enrolled for the course.

All Course Teachers of college/institutions shall intimate the Principal/ Director of a college/ Institute through the Head of the Department concerned at least thirty calendar days before the last instruction day in the semester, the particulars of all students who have less than 80% of attendance during the total number of class days.

In case of University Departments/Centre for Studies all course teachers shall intimate the Head of the Department/Chairperson of the Centre for Studies concerned at least thirty

calendar days before the last instruction day in the semester, the particulars of all students who have less than 80% of attendance during the total number of class days.

A student who has less than 80% attendance in average shall not be permitted to sit for the End-semester examination. However, that it shall be open to the University to grant exemption to a student who has attended a minimum of 70% classes but failed to obtain the prescribed 80% attendance for valid reasons, on recommendation of the Head/Chairperson/Principals of the Department/Centre/College on payment of a prescribed fee(s).

The Head of the Departments/Chairperson of the Centre for Studies/Principals of the Colleges shall announce the names of all students who shall not be eligible to take the End-semester examinations in the various Programmes and send a copy of the same to the Controller of Examinations. Such candidates shall have to repeat the concerned Course(s) when it is offered next.

A student declared as dis-collegiate shall not be allowed to proceed to the next higher Semester. He/she shall need to pursue the Semester afresh in which he/she was declared as dis-collegiate along with the next fresh batch.

11 Examination and Evaluation:

- (a) Examination and evaluation shall be done on a continuous basis, at least two times during a Semester including the End Semester Examination.
- (b) There shall be 20% marks for in-semester assessment and 80% marks for End-semester examination in each course during every semester.
- (c) There shall be no provision for re-evaluation of the answer-scripts of the end-semester examinations. However, a candidate may apply for re-scrutiny.

(d) In-semester Assessment:

- (i) In in-semester assessment, different tools such as objective tests, written tests, assignments, paper presentation, laboratory work, etc. suitable to the courses may be employed.
- (ii) The students shall be informed in advance about the nature of assessment. Students shall be required to compulsorily attend in-semester assessment including appearing the sessional tests, failing which they will not be allowed to appear for the End-semester examination. A Student cannot repeat In-semester examinations. The Department/Centre for Studies may arrange special in-semester examination whenever

necessary.

(e) **End Semester Examination:**

- (i) There shall be one End semester examination carrying 80% Marks in each course of a Semester covering the entire syllabus prescribed for the Course. The End semester examination is normally a written/laboratory-based examination/Project Work/Dissertation.
 - (ii) The Controller of Examinations shall make necessary arrangements for notifying the dates of the End semester examinations and other procedures as per Dibrugarh University Rules (at least 20 days in advance) and the Academic Calendar notified by the University.
 - (iii) The time given for End-semester examination for each Course shall be based on the credits/marks of the course.
 - (iv) Emphasis needs to be given on problem solving, application level questions as prescribed by National Education Policy, 2020. The question paper should include different forms of question.
- (f) **Confidential Works:** Setting of question papers, moderation of question papers, evaluation of answer scripts, scrutiny, tabulation of marks, etc. and announcement of results, shall be governed by the Dibrugarh University Examination Ordinance.
- (g) The mode of the conduct of the end-semester examinations of the practical/dissertation courses shall be partially external as below:
- i. The end-semester examinations of all practical/dissertation courses shall be conducted by a Board of Examiners consisting of the internal examiner (the concerned course teacher) and an external examiner appointed by the Controller of Examinations.
 - ii. A student shall not be allowed to take more than one full course as project work in a single semester.
- (h) The mode of end-semester examination and evaluation of the Course shall be specified in the detailed syllabus of the course concerned.
- (i) End-semester practical examinations shall normally be held before the theory examinations.

(j) Betterment Examination:

- i. A student shall be entitled to take the 'Betterment Examinations' in any two theory courses after successful completion of 3 year/4year programme only once. In this case, the higher marks secured by the student shall be retained. The candidates shall have to apply for betterment examination within one year of passing the Sixth/Eight Semester examination. Students shall have to appear in the betterment examination with the regular batch.
- ii. No betterments shall be allowed in the practical/project/dissertation/internship examinations.

12 Results and Progression:

A candidate shall be declared as passed a Programme, provided he/she secures-
At least 30% of marks in each Course in the End Semester Examinations combining both theory and practical examinations

At least 'P' grade in the 10 point scale combining both the in-semester and End Semester Examination performance.

There shall be no separate pass mark for In-semester Assessment.

A candidate shall be declared as passed a semester/ programme, provided he/ she secures at least 'P' grade in the 10 point scale (given in clause) in all the Courses separately.

There may be moderation of In-semester Assessment marks/End Semester marks as and when necessary.

The marks of In-semester examinations obtained by the candidate shall be carried over for declaring any result.

A candidate who fails or does not appear in one or more Courses of any end semester examinations up to fifth Semester shall be provisionally promoted to the next higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carryover course in the next regular examinations of those courses. If a candidate fails in any of the components (either theory or practical) of a course the candidate shall have to reappear in the examination for both the components.

If a candidate clears the sixth semester examination before clearing all the courses of the previous semesters, the result of the sixth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of

the previous semesters.

A candidate who fails or does not appear in one or more courses of seventh semester examinations shall be provisionally promoted to the eighth semester with the failed course as carry over course(s). If a candidate clears the eighth semester examination before clearing all the courses of the seventh semesters, the result of the eighth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of the previous semester.

A student must clear all his/her Semester Examinations within six (6) years for three year undergraduate programme and seven years for four year undergraduate programme (with honours/research) from the dates of admission to the First Semester of any Programme irrespective of the number of examinations appeared by the student.

Since the Semester system involves continuous assessment, there shall be no scope for a student to appear as a private candidate in any programme in this system.

A candidate shall be declared to have passed provided he/she has passed all the Semesters and in all the Courses separately for the concerned programme.

The Controller of Examinations shall declare the results of different programmes and issue Grade-sheets. *The merit list shall be prepared only for the regular candidates and it does not include the backlog candidates.*

The first rank holder of a programme shall be decided on the basis of the CGPA. However, the Overall Weighted Percentage of Marks (OWPM) of a candidate shall be considered in case of tie in CGPA.

Results of the candidates appeared in the Betterment or Backlog Examinations shall not be counted for the award of Prizes/Medals, Rank or Distinction.

13 Provision of Multiple Exit:

Exit 1: There is a provision of exit after successful completion of 1 year (two semesters). A Certificate will be awarded when a student exits at the end of year 1 (2 semesters). Students who have secured minimum of 44 credits will be awarded a UG certificate (in the field of study/discipline) if, in addition, they complete one work based/skill based vocational course/internship of 4 credits within one year from the completion of 2nd semester examination.

Exit 2: There is a provision of exit after successful completion of 2 years (four semesters). A Diploma will be awarded when a student exits at the end of year 2 (4 semesters). Students who have secured minimum of 88 credits will be awarded a UG

Diploma (in the field of study/discipline) if, in addition, they complete one work based/skill based vocational course/internship of 4 credits within one year from the completion of 4th Semester examination.

Exit 3: Three Year UG Degree Programme (BA, B. Sc, B. Com and Bachelor in other discipline) with single/double major: There is a provision of exit after successful completion of 3 years (six semesters). Students who wish to undergo a 3-year UG programme shall be awarded UG degree in the major discipline after successful completion of three years, securing 132 credits.

Four Year UG Programme with Honours (BA, B. Sc, B. Com and Bachelor in other discipline) with single/double major: Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours degree in the major discipline after successful completion of four years with Discipline Specific Elective Courses in 7th and 8th semesters in lieu of Research Project and Dissertation, securing a minimum of 176 credits.

Four Year UG Programme with Honours with Research (BA, B. Sc, B. Com and Bachelor in other discipline) with single/double major: Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours with Research degree in the major discipline after successful completion of four years, with Research Project and Dissertation in 7th and 8th Semesters, securing 176 credits.

14 Qualification type and Minimum credit requirement:

Equivalent National Higher Education Qualification Framework (NHEQF)	Qualification title	Minimum credit requirement
Level 5	Undergraduate Certificate	44+4
Level 6	Undergraduate Diploma	88+4
Level 7	Bachelor's Degree	132
Level 8	Bachelor's Degree (Honours and Honours with Research)	176

15 Grading System

The absolute grading system shall be applied in evaluating performance of the

students.

The following scale of grading system shall be applied to indicate the performances of students in terms of letter grade and grade points as given below:

Letter Grade with meaning		Grade Point
O	Outstanding	10 (Marks securing 90% and above)
A+	Excellent	9 (Marks securing 80%-90%)
A	Very Good	8 (Marks securing 70% -80%)
B+	Good	7 (Marks securing 60% -70%)
B	Above Average	6 (Marks securing 50% -60%)
C	Average	5 (Marks securing 40%- 50%)
P	Pass	4 (Marks securing 30%-40%)
F	Fail	0
Ab	(absent)	0

*Exclusive Class Interval technique shall be followed in calculation of Grade Point.

Computation of SGPA and CGPA: The procedure to compute the SGPA and CGPA are given below

- (i) The SGPA is the ratio of the sum of the products of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits off all the courses undergone by a student.

$$SGPA (S_i) = \frac{\sum C_i G_i}{\sum C_i}$$

Where C_i is the number of credit of the i th course and G_i is the grade point scored by the student in the i th course.

Example for computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit X Grade)
I	Major (Core)	4	A	8	4X8=32

I	Minor	4	B+	7	4X7=28
I	GEC 1	3	B	6	3X6=18
I	AEC (Language)	4	A+	9	4X9=36
I	Value Added Course I	2	A	8	2X8=16
I	Value Added Course II	2	A	8	2X8=16
I	SEC	3	B+	7	3X7=21
		22			167
	SGPA				167/22= 7.59

- (ii) The CGPA is also calculated in the same manner taking in to account all the courses undergone by a student over all the semesters of a programme.

$$CGPA (Si) = \frac{\sum CiSi}{\sum Ci}$$

Semester I	Semester II	Semester III	Semester IV	Semester V	Semester VI
Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22
SGPA: 7.59	SGPA: 8.00	SGPA: 7.6	SGPA: 7.59	SGPA: 8.00	SGPA: 7.00
